

**SCIENTIFIC  
BROCHURE**

**THEME:**

**“Unlocking Future Pathways  
through Catalysis and  
Chemical Engineering”**

**4th Global Summit on**

**CATALYSIS &  
CHEMICAL  
ENGINEERING**

**DATES:**

July 16 & 17, 2026 (In-Person)

July 18, 2026 (Virtual Via Zoom Platform)

**VENUE:**

Crowne Plaza Rome – St. Peter's by IHG,  
Rome, Italy

# Welcome to Catalysis Summit 2026

We are delighted and privileged to welcome you to Catalysis Summit 2026, 4th Global Summit on Catalysis & Chemical Engineering, to be held from July 16 & 17, 2026 (In-Person) & July 18, 2026 (Virtual) at Hotel – Crowne Plaza Rome – St. Peter's by IHG, Rome, Italy

As one of the premier conferences in the field, Catalysis Summit 2026 will feature a comprehensive program covering Catalytic Materials, Catalytic Mechanisms, Catalysis and Energy, Environmental Catalysis, Organometallics Chemistry, Electro-catalysis, Chemical reaction engineering, among other key topics. Through thought-provoking keynote presentations, interactive panel discussions, and hands-on workshops, participants will gain insights into emerging technologies and their potential impact on society.

The conference is designed to foster interdisciplinary collaboration by bringing together experts from academia, industry, and research institutions. It provides a unique opportunity to exchange ideas, build partnerships, and explore innovative solutions that will shape the future of materials science and engineering. Whether you are an experienced researcher or an early-career professional, Catalysis Summit 2026 offers an engaging environment to learn, connect, and contribute to advancements in the field.

Rome, the capital of Italy, is a city steeped in history and culture, often referred to as the "Eternal City". With a history spanning over 2,800 years, it was once the heart of the Roman Empire and the cradle of Western civilization and Christianity. Today, it remains a major European political and cultural centre and a popular tourist destination, drawing millions of visitors annually. Rome played a pivotal role in the Renaissance and Baroque movements, becoming a centre for art, architecture, and intellectual pursuits.

Beyond the conference sessions, delegates can explore the captivating charm of Rome, Italy. From the Colosseum and Vatican City to picturesque streets and delicious cuisine, the Eternal City provides countless opportunities to enjoy its history, culture, and vibrant atmosphere.

With its blend of scientific excellence, rich culture, and warm hospitality, Rome, Italy promises to make your participation in Catalysis Summit 2026 both professionally rewarding and personally memorable.

We sincerely thank you for being a part of Catalysis Summit 2026 and look forward to an engaging and successful event.

Welcome to Rome, Italy, and let's shape the future of catalysis Summit together!

## WHY TO ATTEND Catalysis Summit 2026?

- **Cutting-edge Research** - Learn about the latest advancements in catalysis and chemical engineering.
- **Renowned Speakers** – Gain insights from world-class keynote and plenary speakers.
- **Networking Opportunities** – Connect with leading scientists, researchers, and industry experts.
- **Innovative Technologies** – Discover new tools, techniques, and solutions in catalysis.
- **Collaborative Opportunities** – Explore potential partnerships and research collaborations.
- **Interactive Workshops** – Participate in hands-on sessions for practical learning.
- **Global Perspective** – Engage with delegates from across the world and share ideas.
- **Career Growth** – Enhance your professional profile and academic recognition.
- **Exposure to Startups & Industry** – Learn about innovative industrial applications of catalysis.
- **Poster & Paper Presentations** – Present your research to a global audience.
- **Awards & Recognition** – Opportunity to be recognized for outstanding contributions.
- **Access to Published Abstracts** – Receive a complete book of abstracts for reference.
- **Insight into Emerging Trends** – Stay ahead with knowledge on future directions in catalysis.
- **Cultural Experience** – Explore the historic city of Rome while attending the summit.
- **Q & A and Panel Discussions** – Engage in dynamic discussions with leading experts.

## Who Should Attend?

Catalysis Summit 2026 is ideal for researchers, scientists, and academicians including professors, postdoctoral fellows, and PhD candidates eager to share their research and connect with global experts. Industry professionals, such as chemical engineers, R&D managers, and innovators, can explore emerging technologies and industrial applications. The summit also welcomes policymakers, government officials, and professionals from start-ups, laboratories, and research institutions seeking collaborations and networking opportunities. With keynote lectures, interactive workshops, and panel discussions, the conference provides a unique platform for knowledge exchange, fostering innovation and advancing developments in catalysis and chemical engineering for both academic and industrial audiences.

## Key Topics of Catalysis Summit 2026 Conference:

- Catalytic Materials
- Catalytic Mechanisms
- Catalysis and Energy
- Catalysis for Chemical Synthesis
- Nanocatalysis
- Organocatalysis
- Plasma Catalysis
- Environmental Catalysis
- Chemical Kinetics
- Reaction Engineering
- Polymer Engineering
- Separation Processes
- Simulation & Modeling
- Thermodynamics
- Food Chemistry
- Nanomaterials and Nanotechnology
- Nuclear Chemistry
- Biocatalysis
- Analytical Chemistry
- Photocatalysis
- Nanochemistry
- Fluid dynamics & its Phenomena
- Catalysis for Renewable Sources
- Organometallics Chemistry
- Catalysis and Zeolites
- Catalysis in Industry
- Catalysis and Pyrolysis
- Physical Chemistry
- Catalysis and Pyrolysis
- Physical Chemistry
- Catalysis in oil and gas
- Green Chemistry
- Euro Chemistry
- Industrial Catalysis
- Applied Chemistry
- Chemical reaction engineering
- Photochemistry, Photobiology, and Electrochemistry
- Electro-catalysis
- Material Sciences
- Enzymes and Biocatalysts
- Autocatalysis
- Biochemical Engineering
- Molecular Catalysis
- Computational Catalysis
- Organometallics, Organo-catalysis and Bioinorganic Chemistry
- Petrochemical Engineering
- Medical chemistry
- Surface and Colloidal Phenomena
- Biochemistry & Pharmacology
- Nanoporous Aerogel Materials
- Nano Materials & Nanocomposites
- Optics and Photonics
- Advanced Material Science and Engineering
- Chemistry in Biotechnology

Rome, the Eternal City, is a vibrant and historic metropolis where ancient and modern worlds seamlessly blend. From the iconic Colosseum and the Roman Forum to the Vatican City and St. Peter's Basilica, Rome is a living museum of classical architecture and art.

### Top tourist attractions in Rome, Italy.

- **Colosseum** – The iconic ancient amphitheatre where gladiators once fought; a must-see symbol of Rome's history.
- **Vatican City** – Home to St. Peter's Basilica, the Vatican Museums, and the Sistine Chapel with Michelangelo's masterpieces.
- **Pantheon** – A perfectly preserved ancient Roman temple, famous for its massive domed roof.
- **Trevi Fountain** – A stunning Baroque fountain where visitors toss coins for good luck.
- **Roman Forum** – Ruins of ancient government buildings and temples, offering insight into Rome's political life.
- **Piazza Navona** – A lively square featuring Baroque architecture, fountains, and street artists.
- **Spanish Steps** – A beautiful staircase connecting Piazza di Spagna and Trinità dei Monti, ideal for sightseeing.
- **Castel Sant'Angelo** – A historic fortress and museum near the Vatican with panoramic city views.
- **Villa Borghese Gardens** – A vast park with museums, fountains, and peaceful walking paths.
- **Campo de' Fiori** – A vibrant market square perfect for experiencing local culture, food, and shopping.

## City Attractions

### Vatican Museums

Home to St. Peter's Basilica, the Vatican Museums, and the Sistine Chapel with Michelangelo's masterpieces. Vatican City is an independent city-state containing some of the world's most famous religious and artistic landmarks, including St. Peter's Basilica, the world's largest church and a major pilgrimage site; the Vatican Museums, which house an extensive collection of art and historical artefacts; and the Sistine Chapel, famous for its ceiling and altar wall frescoes by Michelangelo, such as The Creation of Adam and The Last Judgment.

### Pantheon

The Pantheon is an ancient Roman temple in Rome, Italy, famous for its massive unreinforced concrete dome with a central oculus. Rebuilt by Emperor Hadrian around 126 AD as a temple to all gods, its near-perfect preservation is largely due to its conversion into a Christian church in the 7th century. Its interior's height and diameter are equal, creating a perfect spherical space, and it remains one of the best-preserved ancient Roman buildings and a major tourist attraction.

### Trevi Fountain

The Trevi Fountain is a famous Baroque fountain in Rome where visitors toss coins for good luck, a tradition popularized by the movie Three Coins in the Fountain. To ensure you return to Rome, toss a coin with your right hand over your left shoulder. The collected coins are donated to a Catholic charity to help the less fortunate in Rome.

### Roman Forum

The Roman Forum is an ancient archaeological site in Rome, once the centre of public life, containing the ruins of important government buildings, temples, and marketplaces. It was the hub of Roman political, religious, and commercial activity, offering insight into the grandeur of Roman civilization through its remaining structures like the Curia (Senate House), the Temple of Saturn, and the Arch of Titus.

### Piazza Navona

Piazza Navona is a vibrant public square in Rome famous for its Baroque architecture, including three impressive fountains, and lively street life. Built on the site of the ancient Stadium of Domitian, it retains its elongated oval shape and is a popular destination for tourists and locals to admire art, enjoy cafés, and watch street performers.

## City Attractions

### Spanish Steps

A beautiful staircase connecting Piazza di Spagna and Trinità dei Monti, ideal for sightseeing.

### Castel Sant'Angelo

Castel Sant'Angelo is a historic fortress and museum near the Vatican in Rome, originally built as the Mausoleum of Hadrian for Emperor Hadrian in the 2nd century AD. It has since served as a fortress, papal residence, and prison, and today houses a museum with artifacts and art, plus offers panoramic.

### Villa Borghese Gardens

A vast park with museums, fountains, and peaceful walking paths.

**Campo de' Fiori**  
A vibrant market square perfect for experiencing local culture, food, and shopping.

### Colosseum

The Colosseum is the iconic ancient amphitheatre that once hosted brutal gladiatorial contests and public spectacles; it remains a powerful and must-see symbol of Rome's history and imperial power.

## IMPORTANT DATES

Conference Date	July 16-18, 2026
Abstract Submission Opens	October 10, 2025
Registration Opens	October 10, 2025
Final Abstract Submission	June 01, 2026
Final Registration	June 02, 2026

## IMPORTANT LINKS

For Abstract Submission: <https://catalysisconference.pagicle.com/submit-abstract/>

For Registration: <https://catalysisconference.pagicle.com/register-now/>

Reserve Accommodations: <https://catalysisconference.pagicle.com/online-payment-usd/>

Venue: <https://catalysisconference.pagicle.com/>

## Conference registration

Registration Fee (Per Person) Academia Registration Fee:

Type	Before January 10 <sup>th</sup> , 2026	Before April 25 <sup>th</sup> , 2026	Before July 01 <sup>st</sup> , 2026
Speaker Registration	\$499	\$599	\$799
Poster Presentation	\$599	\$699	\$849
Listener/Delegate	\$649	\$699	\$899

Student Registration Fee:

Type	Before January 10 <sup>th</sup> , 2026	Before April 25 <sup>th</sup> , 2026	Before July 01 <sup>st</sup> , 2026
Student Registration	\$499	\$499	\$599

Sponsorship & Exhibition Registration Fee:

Type	Before January 10 <sup>th</sup> , 2026	Before April 25 <sup>th</sup> , 2026	Before July 01 <sup>st</sup> , 2026
Sponsorship	\$3899	\$4099	\$4299
Exhibitors	\$3299	\$3499	\$3699

**Catalysis Summit 2026**

**<https://catalysisconference.pagicle.com/>**

## Registration fee includes:

- One Presenter/Listener Slot
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recordings & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as a Listener for one year from the date of the conference.
- Lunch during the conference

## CONFERENCE ACCOMMODATION

Type of Accommodations	Amount in \$	All Packages include:
Saver Package A (Two-Night Stay)	\$1099	<ul style="list-style-type: none"> <li>• Complimentary Wi-Fi in the guest rooms</li> <li>• Complimentary Breakfast</li> <li>• Speaker/Listener Pass</li> <li>• Participation Certificate</li> </ul>
Saver Package B (Three Nights Stay)	\$1299	<ul style="list-style-type: none"> <li>• Access to conference sessions and panel discussion</li> <li>• Conference Kit</li> </ul>
Saver Package C (Four Nights Stay)	\$1499	<ul style="list-style-type: none"> <li>• Access to all the conference rooms</li> <li>• Access to Conference Recording &amp; Photos</li> <li>• University Logo placement on banners</li> </ul>
Extra Night (Per Night)	\$299	<ul style="list-style-type: none"> <li>• Abstract Book</li> </ul>
Extra Person (Accompany)	\$349	<ul style="list-style-type: none"> <li>• Access to all virtual conferences as Listener for one year from the date of conference</li> </ul>

# SPONSORSHIP

Catalysis Summit 2026 is an exciting opportunity to display the new developments, the new technologies of your company, and/or the services your industry may offer to a broad international audience. Catalysis Summit 2026 delivers over 100+ attendees from over globe to supporting the development and commercialization of innovations in the field of chemical engineering, chemical catalysis and materials science. As an exhibitor, you will access the engineering professionals, researchers, professors, faculty, and commercialization leadership that rely on your products and services to develop these new technologies.

## Sponsorship Benefits

- ◆ Draped booth space of 3\*6 meters with priority to purchase exhibition space and choose booth location
- ◆ Two conference passes & Three booth personnel passes
- ◆ Web listing with link to your company website
- ◆ Publication of the exhibitor profile in the souvenir (2 A4 colour pages)
- ◆ Logo recognition in the scientific program, Conference banner and flyer.
- ◆ Participation in the One-on-One Partnering Program
- ◆ Acknowledgement during Opening Ceremony & Gala Dinner
- ◆ Speaker Opportunity in the conference program
- ◆ Company logo on all on-site signage
- ◆ An exclusive online Promotion on all our Social Networking Sites.
- ◆ Three inserts provided by the
- ◆ Draped booth space of 3\*3 meters
- ◆ One conference passes & one booth personnel pass
- ◆ Web listing with link to your company website
- ◆ Publication of the exhibitor profile in the souvenir (1 A4 page)
- ◆ Logo recognition in the scientific program, Conference banner and flyer.
- ◆ One Presentation Slot about the organization.
- ◆ Advertisement Video on conference website sponsor in the congress delegate bags.

## Exhibitor Benefits

- ◆ Draped booth space of 3\*3 meters
- ◆ One conference passes & one booth personnel pass
- ◆ Web listing with link to your company website
- ◆ Publication of the exhibitor profile in the souvenir (1 A4 page)
- ◆ Logo recognition in the scientific program, Conference banner and flyer.
- ◆ One Presentation Slot about the organization.
- ◆ Advertisement Video on conference website

## Who Can exhibit

- Commercial Organizations
- Research Laboratories
- Universities/Institutes
- NGO's
- Start-up Companies
- Journal Publishers

## Why sponsor?

Sponsorship powerfully influences audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions. Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

## Exhibitions allow you to advance all your

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

## About Pagicle Ltd.

Pagicle Ltd. is a company that organizes international online and physical conferences, seminars, and workshops to facilitate knowledge sharing and networking among scholars, students, researchers, and industry professionals. Its mission is to promote collaboration and make scientific research more accessible through an open-access platform. The company organizes events across various scientific and professional fields, such as healthcare, nursing, and material science.

## Company overview

**Core business:** Organizing scientific and academic conferences and events.

**Mission:** To facilitate the dissemination of research, promote interdisciplinary collaboration, and create a dynamic space for learning through high-quality events and an open-access platform.

**Attendees:** A mix of academicians, professors, students, researchers, and industrialists.

**Services:** Planning, organizing, and executing events, and providing a platform for sharing knowledge and making research accessible.

BOOKMARK YOUR DATES

# July 16, 17 & 18, 2026

Pack your curiosity and enthusiasm — Hotel – Crowne Plaza Rome – St. Peter's by IHG, Rome, Italy is ready to inspire you!

Let's turn this journey into an unforgettable blend of learning, laughter, and lasting memories.
