CATALYSIS SUMMIT SRH 2027

September 06 & 07, 2027 (In-Person)

SRH Berlin | University of Applied Sciences, Germany

WELCOME MESSAGE

We warmly welcome all speakers, researchers, academicians, and delegates to the 5th Global Summit on Catalysis & Chemical Engineering, taking place on September 6–7, 2027, in Berlin, Germany. Join us to share innovative research, exchange scientific knowledge, explore emerging technologies, and build valuable collaborations in catalysis and chemical engineering. We look forward to your participation and an inspiring scientific gathering!

ABOUT THE EVENT

The 5th Global Summit on Catalysis & Chemical Engineering (Catalysis Summit SRH 2027) will take place on September 6–7, 2027, at SRH Berlin, University of Applied Sciences, Germany.
The summit aims to bring together scientists, researchers, academicians, and industry professionals to share research findings, exchange scientific knowledge, and discuss emerging advancements in catalysis and chemical engineering. Key areas include sustainable and green catalysis, catalytic materials, hydrogen and energy technologies, computational catalysis, artificial intelligence, and machine learning. The event will provide a platform for scientific discussions, knowledge sharing, and professional networking while encouraging new ideas and collaborations.

CONFERENCE TOPICS

We do have several topics for the conference. You can choose any of the topics which you would like to present at the Conference such as:

1. Catalytic Materials
2. Food Chemistry
3. Artificial Intelligence in Catalytic Research and Development
4. Biochemistry and Pharmacology
5. Nanocatalysis, Nanochemistry and Nanomaterials
6. Materials Science
7. Industrial Catalysis (Oil and Gas, Pyrolysis)

FEATURED SPEAKERS

Mariia Lemishka
Heyrovský Institute of the CAS, Dolejškova Prague, Czech Republic

Babayeva Farida
Babayeva Farida
Y.H. Mammadaliyev Institute of Petrochemical Processes of Azerbaijan

Magnus S. Magnusson
University of Iceland, Iceland

Dr. Prof. Nodar Sulashvili
Georgian International University GIU, Georgia

Dr. Hiroyuki Miyamura
National Institute of Advanced Industrial Science and Technology (AIST), Japan

Vasile I. Pârvulescu
University of Bucharest, Faculty of Chemistry, Bucharest, Romania

Prof. Safwan Ashour
Moaref University of Applied Sciences, Syria

Prof. Yassin M. Temerk
Chemistry Department, Faculty of Science, Assiut University, Egypt

CATALYSIS SUMMIT SRH 2027

5TH GLOBAL SUMMIT ON CATALYSIS & CHEMICAL ENGINEERING

REGISTRATION BENEFITS

- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recordings & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as a Listener for one year from the date of the conference.
- Lunch during the conference
